Food Detective Tip:

**FOOD
DETECTIVES**

Food companies can't lie on the front of the box... but they can be sneaky!

Pictures of fruit or health claims make foods sound healthy, but you have to check the ingredient list to find out what's REALLY inside.

The front of the box doesn't always tell the whole story!

Food Detective Tip:

What fruit do you see on the front of the box?
Can you find that fruit in the ingredient list?

Ingredients: Whole grain oats, fruit pieces (sugar, dried cranberries, natural flavor), crisp rice (rice flour, sugar, malt extract, salt, mixed tocopherols for freshness), corn syrup, fructose, sugar, palm oil.

Contains 2% or less of dextrose, vegetable glycerin, molasses, natural flavors, sorbitol, soy lecithin, salt, rosemary extract for freshness, nonfat milk, wheat starch.
