## 1. Is your ingredient list short or long?

This one's easy! Start counting... then circle the correct answer:

SHORT	LONG
fewer	more
than 10	than 10

A long ingredient list isn't automatically bad, but it does mean you may want to do some more investigating!

## 2. Does your ingredient list match what is listed on the front?

Let's break this one down. First... take another look at the front of your product. What flavors are marketed there? What would you hope to find in the ingredient list? Write them below:

I would hope to find:		

Great work! Now see if you can find those words in your ingredient list. Are they in there? Circle one.

That's some sneaky marketing! Where do you think the flavors and colors are coming from?
